The fully developed basement offers 9' ceilings, a large 4th bedroom, a full bathroom, and an expansive rec area. NOTABLE UPGRADES: a top-of-the-line Daikin energy-efficient, ultra-quiet air conditioner, irrigation front and back, low lighting throughout the back yard for evening ambiance, gas line to barbeque, a custom-built wood shed (with power) to match the house, epoxy floor in the garage, UV film on windows, and a roughed-in sound system.
