Welcome to this beautiful townhouse with a quiet 10/10 location next to Chinook Winds Park, which is arguably one of Airdrie's most sought out locations close to shopping, the bus route, grocery stores, bars, restaurants and with being right next to Chinook Winds Park this offers you a unique lifestyle with walking/bike paths, a spray park, skate park, ball diamonds, an outdoor ice skating rink and a large green space. This open concept unit with 10 foot VAULTED CEILINGS was just freshly painted (May 2025), has large windows fitted with Hunter Douglas Blinds for tons of natural sunlight, rocks in-floor heat (boiler serviced May 2025), has a sunny living room and dining area with a kitchen that hosts beautiful granite countertops, a pantry and stainless steel appliances. Step outside onto the private balcony that fits a BBQ and patio furniture for kicking back after a long day. The large primary bedroom easily fits a king sized bed and hosts a 3 piece ensuite bathroom with a granite countertop vanity and a large walk-in closet. Adjacent to the kitchen is the second bedroom, laundry closet, linen closet and a second full bathroom, also with a granite countertop vanity. As a bonus it's just off of Chinook Winds Drive so although it does come with a parking stall, it also has ample street parking right next to the property due to it's location at the front of the complex for guests and roommates! This property is a hard to find upper level bungalow style townhouse and it's refreshing to see a townhouse property with such a great location that has so much to offer at this price point!
