ONCE A DREAM HOME, ALWAYS A DREAM HOME & NOW EVEN BETTER Originally built as the Calgary Stampede Rotary Dream Home, this one-of-a-kind property offers over 3,200 sq ft of professionally designed living space and has recently undergone more than \$100,000 in premium upgrades. Located in the quiet, family-friendly community of Walden, this home blends high-end design, function, and wellness-focused living. Highlights include a fully equipped home gym, spa-inspired bathrooms, whole-home sound system, a dedicated home office, automatic irrigation, laundry chute and a custom media room. Once outside set into your private backyard oasis, featuring a wood fired sauna and cold plunge (insulated with frost protection for the winter)—perfect for year-round relaxation and recovery. The kitchen showcases a quartz waterfall island, cultured stone backsplash, and top-of-the-line stainless steel Viking Professional appliances. A double-sided full-brick fireplace connects the open-concept great room to the private courtyard, ideal for entertaining or cozy evenings in. Heading upstairs leads to a serene primary suite with a luxurious ensuite featuring 10mm glass, oversized shower, and soaker tub. Two additional bedrooms, a family lounge, and a Jack & Jill bath complete the upper floor. The fully developed basement continues the home's elevated style with a large rec room, wine bar, fourth bedroom, home gyn, and a spa bathroom with steam shower, heated floors, and waterproof speaker. Roof, eavestroughs, downspouts and hot water tank were replaced in 2022, water softener added in 2024. This is truly a rare opportunity to own a former Dream Home—now even better than before.
