The open-concept kitchen, living, and dining areas are bathed in natural southwest light from large windows that create a warm, inviting atmosphere. The kitchen boasts stainless steel appliances—including a brand-new microwave and dishwasher—quartz countertops, a central island, ample cabinetry, and a walk-through pantry connecting to the main floor laundry room with side-by-side washer and dryer and access to the garage. The three-sided fireplace serves as a stylish focal point, beautifully separating the living and dining spaces—perfect for entertaining guests or enjoying cozy family evenings.
