Former Show home with Exceptional Upgrades! This stunning 4-bedroom, 4-bathroom townhouse combines style, space, and smart design. Featuring infloor heat throughout for year-round comfort and impressively low heating costs, this home is both luxurious and efficient. The oversized garage (12x24) adds even more value and functionality. Step inside to a spacious main level that's perfect for entertaining, with a gorgeous chef's kitchen that flows seamlessly into the open-concept dining and living areas. Enjoy your morning coffee or evening unwind on the balcony off the living room. A flexible main-floor room provides endless possibilities – use it as a 4th bedroom, office, den, or TV room. 2pc bathroom on this level also. The lower level offers privacy and convenience with a bright bedroom, its own ensuite, and access to a cozy patio. Upstairs, the top level hosts two generous bedrooms, both with private ensuites, plus a well-placed laundry room for ultimate convenience. Gorgeous flooring throughout. Whether you're looking for a stylish family home or a spacious layout for roommates or guests, this one has it all – location, luxury, and livability!
