LAKE VIEW, VAULTED CEILING, with 3,470 SQFT+ of living area on a WIDE LOT (71 ft.), three bedrooms, main floor office and laundry, triple attached HEATED garage, this two-storey home in the sought-after community of Chestermere Estates, truly has it all. Walk in (click 3D for virtual walkthrough), you will immediately notice this house's grand entrance with 19 ft+ vaulted ceilings, where you can enjoy a formal living room and dining room with lake views. The vaulted ceilings continue into the open concept kitchen and family room, where you access the three-season sunroom which leads into your large west facing backyard. The spacious master retreat offers a five-piece ensuite with dual sinks and a custom walk-in closet designed by California Closets. The OVERSIZED triple car garage is insulated, drywalled and heated with in-floor heat. Parking will never be an issue here, whether you want to comfortably park 8 vehicles OR an RV, you have the space. RV parking also includes a sani-dump located next to the pad, offering total convenience for post weekend camping trips. Other recent upgrades include washer/dryer (2023), dishwasher (2023) oven (2024), carpet throughout (2022), paint throughout (2022), furnace (2024), hot water tank (2024) and air conditioning (2024).
