Highly flexible zoning, allowing for a wide variety of commercial and light industrial uses such as athletic facilities, auto body and paint shops, automotive sales/rental/service, grocery stores, laboratories, manufacturing-related uses, distribution of products/materials, recreational and commercial vehicle sales/rental/service, as well as veterinary clinics/hospitals, to name a few. Bays feature 22' clear height, with most of the bays including one 10' x 12' front drive-in door. Investment opportunity for a small investor or owner-occupier looking to acquire their own real estate and control the future of their operating premises.
