Welcome to this stunning custom-built masterpiece in the highly sought-after Redstone neighborhood, featuring 3,593 sq. ft. of beautifully finished living space. No expense has been spared in the design, showcasing a neutral color palette that highlights the home's elegance and the abundance of natural light. As you step into the foyer, you'll immediately appreciate the spacious layout. The main floor includes a versatile flex room, a generous living room with a striking gas fireplace and large windows, and a chef's dream kitchen equipped with an island, ceiling-height cabinets, quartz countertops, and stainless steel appliances, along with a pantry and a separate spice kitchen. The main floor also boasts a spacious dining area that opens to an outdoor deck with a gazebo, as well as a convenient 3-piece powder room. Upstairs, you'll find a large bonus room along with four bedrooms, two of which feature their own ensuite bathrooms. The primary suite includes a luxurious 5-piece ensuite and a spacious walk-in closet. The second floor also offers a laundry room and a shared 4-piece bathroom. The fully finished basement, accessible through a separate entrance, includes a self-contained 1-bedroom unit with a kitchenette, a 4-piece bath, and a spacious living area, all completed with municipal approval and permits. With numerous upgrades throughout, including high-end flooring and lighting and even central air conditioning for the hot summers, this home truly exemplifies quality and style.
